

DREXEL UNIVERSITY TRIATHLON TEAM  
DRAGON SUPPORTER PROGRAM

Dear Friend,

We are writing to inform you of the Dragon Supporter Program launched by the Drexel University Triathlon Team. The purpose of this initiative is to fundraise for our 2009 season and for our team's cause: *The Laura Meikle Koch Locker Room Campaign*.

When Laura Meikle Koch, one of Drexel Soccer's all-time greats, lost her battle with lung cancer in the spring of 2008, her family and friends made a commitment, along with the Drexel Athletic Department to find a way to properly honor her life and her enduring memory. Every woman who chooses to play for Drexel, every recruit, and every parent that visits Drexel, will learn about Laura's remarkable spirit and tremendous commitment to Drexel sports. Since her husband Steve has been such an influence to many of us on the triathlon team, we are determined to support Laura's cause.

In order to make the Laura Meikle Koch Lock Room Campaign a reality, the Drexel University Triathlon Team is looking for your support. We have pledged to give 50% of all donations to Laura's cause. Your contribution will not only support Laura's campaign, but also help to ensure the current and future success of the Drexel University Triathlon Team. Our goal for this initiative is \$25,000.

In return for your generosity, we will send you a Dragon Supporter bumper sticker and also add your name to our website. If you are interested in becoming a Dragon Supporter, please fill out the form below and send along with your donation.

The Drexel University Triathlon Team thanks you for your time and generosity.

Sincerely,

*The Drexel University Triathlon Team*

(detach and include with your donation)

*Yes, I want to make a difference by becoming a Dragon Supporter. Please accept my donation of the following amount:*

\$25       \$50       \$100
